

TACHE PHARMACY

CARING FOR OTHERS AS WE WOULD WANT TO BE CARED FOR

TRAVEL HEALTH CONSULTATIONS

Travelling soon??

We offer:

- **Personalized health advice**
- **Routine and travel vaccinations**
- **Travel medications (including antimalarials)**
- **Travel health kits for treating minor ailments**
- **Itinerary evaluation and travel information**
- **Family consultations are available**

Our pharmacist will work with your health care practitioner to ensure the best pre-travel care possible.

Generally the best time to book your consultation is 4-6 weeks before travel but we can also accommodate last-minute travellers!
